Sir :

On March 26, 2004, Applicant filed an Information Disclosure Statement in the above-captioned matter. In the Information Disclosure Statement, US Patent No. 5,823,612 and Japanese Laid-Open Patent Publication No. JP 2001-98818, were brought to the Examiner's attention, copies thereof were provided to the Examiner, and a Form PTO-1449 was also provided.

Also provided was an English language abstract of the Japanese Laid-Open Patent Publication No. JP 2001-98818 , also cited on the Form PTO-1449. Although all of the patent documents were initialed, the English abstract translation was not initialed on the Form PTO-1449. To complete the record, Applicants assume that the English language abstract of the Japanese patent was considered by the Examiner during consideration of the underlying document.

Applicant notes that no response to this Completion of Record is necessary, nor is one expected.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
